"If you want to live a happy life, tie it to a goal, not to people or things."-
Albert Einstein

MOM'S LONG TERM GOALS

It is so easy to work on short term goals that you lose focus on long term goals that my give you the most benefit. Once you define your long term goals this may carry over each month until they are accomplished.

GOAL 2

GOAL 3

"The trouble with not having a goal is that you can spend your life running up and down the field and never score."-
